There is no change in the editorship of the HERALD except a diminishment of the force. Messrs. Frank L. Felix and Heber Matthews, who for the past ten years have been assisting in this work, will assume the entire responsibility. Hoping to merit, though perhaps unworthily, the hearty approval of our readers, we are yours for Democracy and the people. THE EDITORS.

VOTE for the responsibility of yourself and family by stamping beneath the rooster's feet.

COL. ION NALL should get a large complimentary vote from the members of all parties in his native country of Ohio.

BRADLEY's great love for the old soldier was fully demonstrated when he voted for that negro against a G. A. veteran.

HON. E. D. WALKER will expand the truth of Democracy at any cost. Judge Walker can't at Bafford next Saturday at 1 o'clock.

The astounding crop lies that are being published by the newspapers this season are sufficient to blight vegetation for years to come.

The four big? Democratic hollers—Atherton, Winchester, Ward and Whalen—will each prove a Jonah to the Republican party.

A DEMOCRAT who fails to vote on the 5th of next month, when such important issues are at stake, does not deserve the name of Democrat.

GEN. HARDIN is not a silver monetarist, as many suppose. He is an advocate of bimetallism—the use of both gold and silver—the only sound money standard.

The dirty lying being done by the Louisville Commercial and its cohorts in the political campaign now on, should disgust every self-respecting Republican in the State.

BRADLEY's braughty demeun, bad temper and self-importance will lose him many votes in Kentucky, where people love a manly man, devoid of any of these seneles qualities.

There is one thing more than another that a Kentuckian loves it is a man of firmness of conviction and old-fashioned grit. Wat Hardin is the very embodiment of that latter word.

The negro question will not down. When you contemplate Republican success in Kentucky you must also reckon on the negro being placed on absolute equality with you and your family. Would you like it?

Against the oily tongue of the Republican hoister is based in the land. The Republicans will leave no trick untried and no plan unpracticed in their mighty effort to carry the State for Billy O. and "Rastus."

WE would call the attention of our readers to the inaccuracy with Auditor Norman, published on our first page. It completely indulges the contemptible ro to fully indulge in the characteristics Louisville Commercial.

There is much sorrow and regret expressed throughout newspaper circles at the death of Mr. S. W. Compton, business manager of the Madisonville Hustler. Mr. Compton was a man of splendid business qualifications, a Christian gentleman, and his demise creates a vacancy in the

social and business world that will not soon be filled.

GEN. W. L. LATHAM, soldier, planter and avocational gentleman, died at his residence at Lancaster, Ky., Friday night at 11 o'clock. He was revenue collector in his district for more than a quarter of a century.

In the municipal election in Chattanooga, Tenn., last week, the Democrats carried the city by 100,000 majority. This city went Republican last year by the same majority. Brother, do you hear the music in the distance?

The Democrat who stays at home on the 5th of next month, to vote should not grumble or kick if perchance at some near future day his children should be compelled to associate with negro children in perfect equality.

A STRONGER ticket was never placed before the people of Kentucky for their suffrage than the one which they have before them this year. It merits the support of every Democrat and free-thinking citizen in this old commonwealth.

An exchange says: "Bradley voted for that negro not because he was a negro, but because he was a Republican." Do you see the point?

Would that all wavering Democrats could borrow some of the grit that Republicans display at election times.

It is disgusting to hear a rank Rep.

public organ prating about "principles being dear than party"

when this same paper acknowledges that the hide of its ticket voted for a negro "not because he was a negro, but because he was a Republican."

CONTRAST Bradley's profane rebukes and rude language with Hardin's courteous remarks on all occasions and draw your own conclusion as to which is the more evenly balanced or which would grace the gubernatorial chair with the most credit to himself and satisfaction to his constituents.

JUDGE F. J. DEMPSEY, of Madisonville, Ky., candidate for Rail Commissioner in this district, will address the people of Ohio at the court house next Friday. Judge Dempsey is one of the best informed men in the State, an extremely popular gentleman and a grand orator. Do not fail to be on hand to hear the truths of Democracy forcibly expounded.

WE are beginning to catch the zephyr from the Democratic cyclone which will sweep the country this fall and next year. In the municipal election at Indianapolis, Ind., last week, the city went overwhelmingly Democratic. Caleb D. Denny, Republican, was elected Mayor two years ago by a majority of over 3,000.

THAT the negro is in earnest in his demand for social recognition becomes more evident every day. That this must be given him by the Republican party to retain his vote is equally clear. Rev. Lewis C. Tamm, of Indianapolis, in a recent article in the Indianapolis Star, gives his race which created a pronounced sensation, among other things, said:

"What the negro needs is simply to demand his own, and cease to be a tail for any political party, and if these are his fastidious requirements, he will be happy to satisfy them."

THAT any man who shall violate any of the provisions of the foregoing section by denying to any of the accommodations, advantages, facilities and privileges of inns, restaurants, hotels, eating houses, bath houses, barbershops, drug stores and laundries, and other places of public accommodation or amusement, subject only to the conditions and limitations established by law, and applicable to all others, shall be deemed guilty of a misdemeanor, and shall be fined not less than five hundred dollars, or more than five hundred dollars, or shall be imprisoned not less than thirty days, nor more than ninety days, or both such fine and imprisonment.

THAT any man who shall violate any of the provisions of the foregoing section by denying to any of the accommodations, advantages, facilities or privileges in said section mentioned, and for the same offense, shall be fined not less than one hundred dollars, or more than one hundred dollars, or shall be imprisoned not less than thirty days, nor more than ninety days, or both such fine and imprisonment.

THAT the Courier Journal's attitude toward the Democratic party is a cause for alarm for the latter's safety?

WE think not. The truth is, the Democrats of Kentucky have for many years trusted too much in this paper and too little in themselves. They have suffered it to voice their sentiments, they have taken its editorial advice as more of a personal opinion than as their political bible. Now that its true colors are shown, and its despicable spirit of rule or ruin is so manifest, its prestige is no longer recognized and it must pass its days as merely a newspaper with little confidence and many superiors.

THE Democratic party is getting along splendidly without the Courier Journal and will achieve a glorious victory in Kentucky this fall without its aid. The people are doing their own thinking and wondering how they could have been so passive and trusting in other days when this paper claimed to furnish them with the news of the world.

THE negro question is getting along splendidly without the Courier Journal and will achieve a glorious victory in Kentucky this fall without its aid. The people are doing their own thinking and wondering how they could have been so passive and trusting in other days when this paper claimed to furnish them with the news of the world.
